## SECTION 1 – GENERAL AND ADMINISTRATIVE ISSUES

### 1.01 Purpose

The purpose of this RFA is to provide guidance for current contractors to submit continuation applications to the Iowa Department of Health and Human Services (referred to as Agency) to renew service provisions as described by and within the project period established by the RFP #58822014. Services covered by this application include psychiatry training to increase access to mental health care services by expanding the mental health workforce via training of additional physician assistants and nurse practitioners (PA/NP Psychiatry Training Program). This program promotes health equity by supporting workforce expansion of mental health providers in rural Iowa and ultimately, enhancing access to quality health services among underserved populations.

### 1.02 Project and Contract Period

Fiscal year (FY) 2025 is the final year of a 3 year, nine months project period. The Agency expects the contract period to be a one-year term from July 1, 2024 to June 30, 2025. Continued funding during the defined project period is dependent on approval of the continuation application, contractor performance and compliance with general and special conditions of the contract, availability of project funds, program modifications, or any other grounds determined by the Agency to be in the Agency's best interest.

The issuance of this RFA in no way constitutes a commitment by the Agency to award a contract.

### 1.03 Eligible Applicants

Applicants must meet each of the following eligibility requirements for consideration.

#### Eligible Applicants

Only current contractors are eligible to submit a continuation application under this RFA.

Current contractors:

- University of Iowa on behalf of College of Nursing
- Allen College

#### Electronic Communication Requirements

Applicant is required to maintain and provide to the Agency, upon application, a current and valid email account for electronic communications with the Agency.

Official email communication from the Agency regarding this application will be issued from [iowa.grants@mail.webgrantscloud.com](mailto:iowa.grants@mail.webgrantscloud.com). Applicants are required to assure these communications are received and responded to accordingly.

### 1.04 Service Delivery Area

Refer to the RFP #58822014 page 5, for service delivery area parameters. Any changes in the current service delivery area must adhere to these instructions. Any service delivery area changes for this RFA must be agreed to by existing contractors and applicable boards of health, and approved by the Agency. Submit requests to Michael Drottz at [michael.d.drottz@hhs.iowa.gov](mailto:michael.d.drottz@hhs.iowa.gov). Written approval must be obtained prior to submitting a continuation application.

### 1.05 Funding

The source of funding is state funds appropriated in 2024-25 Iowa Acts.

Applicants may apply for up to the same amount awarded in their respective FY24 contracts for the total contract period. Actual total awards and individual contract funding levels may vary from that listed or funding may be withdrawn completely, depending on availability of funding or any other grounds determined by the Agency to be in the Agency's best interests.

### **1.12 Acceptance of Terms and Conditions**

- A. An applicant's submission of an application constitutes acceptance of the terms, conditions, criteria and requirements set forth in the RFP and RFA and operates as a waiver of any and all objections to the contents of the RFP and RFA. By submitting an application, an applicant agrees that it will not bring any claim or have any cause of action against the Agency or the State of Iowa based on the terms or conditions of the RFP, RFA, or the procurement process.
  
- B. The Agency reserves the right to accept or reject any exception taken by an applicant to the terms and conditions of the RFP or this RFA. Should the successful applicant take exception

However, the Agency may elect to negotiate with the successful applicant regarding contract terms which do not materially alter the substantive requirements of the RFA or the contents of the applicant's application.

### **1.13 Public Records and Requests for Confidential Treatment of Application Information**

The Agency's release of public records is governed by Iowa Code chapter 22. Applicants are encouraged to familiarize themselves with Chapter 22 before submitting an application in response to this RFA.

The Agency will copy and produce public records upon request as required to comply with Chapter 22 and will treat all information submitted by an applicant as non-confidential records unless applicant requests specific parts of the application be treated as confidential at the time of the submission as set forth herein AND the information is confidential under Iowa or other applicable law.

All information submitted by an applicant will be treated as public information following the conclusion of the selection process unless the applicant properly requests that information be treated as confidential at the time the application is submitted.

Failure of the Applicant to request information be treated as confidential as specified herein shall relieve Agency personnel from any responsibility for maintaining the information in confidence. Applicants may not request confidential treatment with respect to pricing or budget information and transmittal letters. An applicant's request for confidentiality that does not comply with this section or an applicant's request for confidentiality on information or material that cannot be held in confidence as set forth herein are grounds for rejecting an application as non-responsive.

#### **A. Confidential Treatment of Information is Requested by the Applicant**

An applicant requesting confidential treatment of information contained in its application shall be required to submit two copies of its application (one complete application (containing confidential information) and one redacted version (with confidential information excised) and complete and submit Form 22 with both applications; as outlined herein:

##### **1. Complete and Submit Form 22 with both applications**

**APPLICANT NOTE: SUBMISSION OF THIS FORM 22 IS REQUIRED ONLY IF REQUESTING CONFIDENTIAL TREATMENT OF APPLICATION INFORMATION.**

In order to request information contained in an application to be treated as confidential, the applicant must complete and submit FORM 22 with both applications. Failure of the applicant to accurately and fully complete FORM 22 with the application submission may result in the application to be considered non-responsive and not evaluated. The Form 22 is available to download from a link located in the attachments section of the standard application form titled Application Certification and Conditions (refer to section 2 of this RFA). Applicant must download Form 22 from a link within this form, complete it, and upload it into the specific field of the electronic Application Certification and Conditions form in both applications.

Form 22 will not be considered fully complete unless, for **each** confidentiality request, the applicant: (1) enumerates the specific grounds in Iowa Code chapter 22 or other applicable law that supports treatment of the material as confidential, (2) justifies why the material should be maintained in confidence, (3) explains why disclosure of the material would not be in the best interest of the public, and (4) sets forth the name, address, telephone, and e-mail for the person authorized by applicant to respond to inquiries by the Agency concerning the confidential status of such material. Requests to maintain an entire application as confidential will be rejected as non-responsive.

2. An applicant that submits an application containing confidential information must submit two copies of its application (one complete application and one redacted version of the application) for this RFP. Completed Form 22 shall be uploaded in the Application Certifications and Conditions form in **both** copies.

One copy of the application must be completed and submitted in its entirety, containing the confidential information. This is the application that will be reviewed.

The applicant must submit one copy of the application labeled "Redacted Copy" from which the confidential information had been excised. In order to do this, the applicant shall rename the copy with the word 'Redacted' added as the **first** word in the application title, using the exact same title as the first copy of the application. The applicant must then revise each form within the copied/redacted application removing the confidential information and inserting the word 'redacted' in the required fields. The confidential material must be excised from the redacted version in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the application as possible.

Both copies of the application must be submitted by the applicant by the due date and time outlined in Section 1.06 (E).

#### B. Public Requests

In the event the Agency receives a public request for application information marked confidential, written notice shall be given to the applicant seventy-two (72) hours prior to the release of the information to allow the applicant to seek injunctive relief pursuant to Iowa Code Section 22.8. The information marked confidential shall be treated as confidential information to the extent such information is determined confidential under Iowa Code Chapter 22 or other provisions of law by a court of competent jurisdiction. If the Agency receives a request for information that applicant has marked as confidential and if a judicial or administrative proceeding is initiated to compel the release of such material, applicant shall, at its sole expense, appear in such action and defend its request for confidentiality. If the applicant fails to do so, Agency may release the information or material with or without providing advance notice to the applicant and with or without affording the applicant the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

Additionally, if applicant fails to comply with the request process set forth herein, if applicant's request for confidentiality is unreasonable, or if applicant rescinds its request for confidential treatment, Agency may release such information or material with or without providing advance notice to applicant and with or without affording applicant the opportunity to obtain an order restraining its release from a court possessing competent jurisdiction.

The applicant's failure to request confidential treatment of material pursuant to this section and the relevant law will be deemed by the Agency as a waiver of any right to confidentiality which the applicant may have had.

#### **1.14 Appeal of Rejection Decision**

The applicant's receipt of a rejection notice constitutes receipt of notification of the adverse decision per 641 Iowa Administrative Code Chapter 176.8(1). Applicants may appeal the adverse decision only for a timely submitted application. The appeal shall be submitted in writing within ten (10) business days of the applicant's receipt of the notification of the adverse decision. The appeal shall be addressed to the contract compliance officer cited in this document Mike Drottz, and shall be submitted via email, including a read receipt verification, to [michael.d.drottz@hhs.iowa.gov](mailto:michael.d.drottz@hhs.iowa.gov) . Appeals must clearly and fully identify all issues being contested and demonstrate what procedures in the RFA were not followed by the Agency. In the event of an appeal, the Agency will continue working with the successful applicant(s) pending the outcome of the appeal.

#### **1.15 Appeal of Award Decision**

The posting of the Notice of Intent to Award on the Agency website constitutes receipt of notification of the adverse decision per 641 Iowa Administrative Code Chapter 176.8(1). Applicants may appeal the adverse decision only for a timely submitted application. The appeal shall be submitted in writing within ten (10) business days of the applicant's receipt of the notification of the adverse decision. The appeal shall be addressed to the contract compliance officer cited in this document Mike Drottz, and shall be submitted via email, including a read receipt verification, to [michael.d.drottz@hhs.iowa.gov](mailto:michael.d.drottz@hhs.iowa.gov). Appeals must clearly and fully identify all issues being contested and demonstrate what procedures in the RFA were not followed by the Agency. In the event of an appeal, the Agency will continue working with the successful applicant(s) pending the outcome of the appeal.

## SECTION 4 – CONTRACT

### 4.01 Contract Conditions

**Contract Conditions:** Any contract awarded by the Agency shall include specific contract provisions and the [HHS Service Contract Terms and Conditions as of 8-1-2023](#) as posted on the Agency's website. Refer to the Draft Contract Template Attachment under this Funding Opportunity. The Draft Contract Template included is for reference only and is subject to change at the sole discretion of the Agency.

The contract terms contained in the general conditions are not intended to be a complete listing of all contract terms, but are provided only to enable applicants to better evaluate the costs associated with the RFA and the potential resulting contract. Applicants should plan to include such terms in any contract awarded as a result of the RFA. All costs associated with complying with these requirements should be included in the application. If the contract exceeds \$500,000 or if the contract together with other contracts awarded to the Contractor by the Agency exceeds \$500,000 in the aggregate, the Contractor shall be required to comply with the provisions of Iowa Code Chapter 8F.

The Agency requires contractors to link with the local board of health when providing services supported by Agency funding. In particular, contractors are expected to assist the local board of health in carrying out the three core functions of public health as defined in 641 IAC 77.3 (137): assessment, policy development and assurance. Examples of linking with the board of health include, but are not limited to:

- Provide environmental and/or health data to the local board of health for the purposes of, and provide assistance in, assessing and analyzing the health status of the community.
- Submit reports to the local board of health on the effectiveness, accessibility, and quality of services provided.
- Include the local board of health in establishing policies and plans associated with the services provided. This can be accomplished by establishing a liaison between the contractor and the board of health or by attending regular meetings of the board of health.
- Educate the local board of health about the services provided and work with the board to identify target populations in need of the services provided.
- Be active in the Community Health Needs Assessment and Health Improvement Plan process.
- Provide the board of health expert input on the services provided and how those services relate to; the health priorities of the community, and health improvement plans to address those priorities.

The contractor is expected to provide documentation of linkage efforts if requested by the Agency.

Results of the review process or changes in federal or state law may require additions or changes in final contract conditions requirements.

#### **4.02 Incorporation of Documents**

The RFA, any amendments, and written responses to applicant questions, and the application submitted in response to the RFA form a part of the contract. The parties are obligated to perform all services described in the RFP, RFA, and applications unless the contract specifically directs otherwise.

#### **4.03 Contractual payments**

The Agency provides contractual payments on the basis of reimbursement of expenses in accordance with Iowa Code 8A.514. In the event the contractor lacks sufficient working capital to provide the services of the contract, an advance not to exceed one-twelfth (1/12) of the contractual amount may be provided by the Agency. One-third (1/3) of this advance will be deducted from eligible reimbursement of expenses for the 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> months of service.
